

# Welfare Centers in Seoul Available on Weekends and Nighttime

18 Welfare Centers Open in 2015, Used by Over 10,000 Local Residents

## Gasan Social Welfare Center (Wori Jjakji Program)

Welfare Centers in Seoul are playing a key role in serving as a Sarangbang, meaning a guest room for local residents. Seoul opened 18 welfare centers

In accordance with this, Seoul will select target social centers and start the project.

Particularly, this year, Seoul will mainly focus on promoting regional community and discovering and operating weekend programs put forward by local residents.

If a Seoul citizen wants to rent a space in Seoul's social welfare centers, he/she can access [yeyak.seoul.go.kr](http://yeyak.seoul.go.kr) and click *Si seol daegwan*, meaning
